SUPERINTENDENT'S MESSAGE

AZUSA . . . GLENDORA

CITRUS UNION HIGH SCHOOL

This has been another outstanding year in the long and colorful history of Citrus Union High School. Outstanding not only because of a record enrollment and superior accomplishments in many fields, but because of our success in football by winning the championship of the Tri-county League and then going all the way to the Southern California finals.

As important as the success of the team was the high calibre of the athletes on the team. Citrus has reached a new high in the clean living, fine sportsmanship and hard work of its athletes.

Contributing to the high morale of the student body was the good yelling, the singing of the "Alma Mater" after games, and the reviving of a Citrus pride in everything at Citrus.

Citizenship generally improved throughout the year although Citrus assimilated over 300 new students. The student court, good student leadership and a citizenship program that carried privileges as well as penalities, all have produced a general up-grading of school and community citizenship.

Yes, it has been a good year, only because each student has added his bit to make it so. For the seniors it has been a fitting climax to their four years at Citrus. Best wishes, seniors, for continued success. We sincerely hope that you may ever have fond memories of Citrus Union.

IN MEMORIAM

SALVADOR CHAVIRA—1952

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell
When I embark;

For though from out our bourne of time and place
The flood may bear me far,
I hope to see my pilot face to face
When I have crossed the bar.
